December 11, 2016

1 Environment

I write and run my programs on one of the machines of CSIE Workstation, which is at oasis2.csie.ntu.edu, and its OS is ARCH Linux.

2 How to Compile

Simply type command `make MACHINE_TYPE=[Machine Type] SRIPATH=[SRIPATH] all` to compile *mydisambig*.

3 How to Execute

Type command `make map` to generate *ZhuYin-Big5.map*.

Type command `make MACHINE_TYPE=[Machine Type] SRIPATH=[SRIPATH] LM=[LM] run` to run *mydisambig* and generate *result2/1~10.txt*.
